Subject: Docket No. 2014-372-T

Please let this email serve as my notice of request for the Public Service Commission of South Carolina to postpone the Feb 23, 2015 hearing until June 2015.

In support of Dallas Ball's conference call, that occurred 1/27/15 that I was absent from.

Thank you all for keeping Public Safety the focus of Transportation in South Carolina!
